If yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)

Management Information System (MIS) is a very important tool developed with user friendly features which are unique to our institute to support all activities held in our college by capturing, processing, storing and retrieving data on a day. Currently most of functions/activities of our organization are carried out with the increasing use and application of computers in either local or wide area network with several layers of staff and students in our college . There are five modules in our ERP which deal with admission, academic affairs, accounting, Stagg , purchase and examination . (i) Admission: The admission details of the entire students can it be uploaded and saved in electronic mode. College can access student details any time by visiting the specified portal. (ii) Academic: This module helps the students and staff at various levels, beginning from timetable allotment, internal valuation, to attendance entry. This helps the students to verify their attendance daily, and check out their internal marks. (iii) Accounting: The fee is declared in the ERP for all the students from the office, students either pay through Cheque, online or through Challan directly into the bank. All the fees are declared through the ERP only. There are no hidden fees and each student can see what one has paid and what is due at any time of the day. (iv) Workforce (Staff): All the data of the staff is available in this module for the management to monitor. The salaries are paid through this module, which also keeps the record of Leaves availed, bank details, salary details of each and every staff. All the staff salary slips can send every month to the staff emails along with their leave position and other details. (v) Examination The strength of our college is our Examination system, which is ultimately supported by our ERP, beginning from registration for the examination, hall ticket generation, room allotment, staff allotment, entry of evaluation is done by two operators who are not known to each other.

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The initiatives taken up for effective curriculum delivery by the institutions are: 1. The principal and the HODs prepare college level academic calender at the beginning of the year based on the university academic calender . 2. HODs organize faculty meetings and finalize the methodologies for proper implementation of curriculum like preparing lesson plans, teaching diaries and preparation of study materials etc., as prescribed by the Osmania University at the beginning of the academic year. 3. The teaching process is conducted in various classes by using ICT, Group Discussions, Case Analysis, Role Play, Business Games etc. 4. The students are given assignments, preparation of course-wise Project Reports under the guidance of faculty. 5. The Principal, Heads of the Departments & IQAC supervise the effective delivery of the curriculum and suggest methods and means for its effective implementation. 6. Additional classes are organised by the HODs as required. 7. Bridge course is provided at the beginning of the year for the first year students as required. 8. Remedial coaching and tutorial classes are arranged to the slow learners. 9. For advanced students additional support and guidance provided by the faculty.

s reacher system in our college . Every class is allotted Two faculty members as mentors Mentor regularly interacts with the students and monitor their academic performance and attendance. Students are counselled by the mentors, class advisors, subject faculties and HOD for improving their academic performance and attendance. Mentors and Class Advisors counsel the students regarding their performance and schedule additional lectures/practical's. At first year level, students academic and personal issues of concern are well looked after by the class advisor/mentors. The critical cases are handled by first year in charges. This way the students realize their responsibilities at the early stage itself. Mentoring system is followed by all departments from the second year onwards. The students are given guidance for career, personal, besides academic issues. A special arrangement also, is made available to the students to deal with psychosocial issues arising in cases like single parenting, bread earner in the family etc. For higher semesters, the mentors allocated to the students will council same group of students for three years i.e. the same set of students will be monitored and counselled till they have passed the course. The meetings of mentorship are conducted every month, in which students meet their mentors for academic and personal issues. The students who have less attendance and who have missed their internal tests are paid special attention from mentors side. Even the students with many issues are asked to call parents for parents mentor meetings. The mentor is also responsible to provide counselling to the student and provide guidance regarding personal and academic issues. The mentor keeps track on their improvements and counsels them accordingly. The role of the mentor is to nurture the students and guide them for any issues they are coming across. Students with personal/family problems if any, are given counselling and support by a professional counsellor. A large number of students who perceive the professional course are guite focussed, still they may fall short of score to be promoted to above sections. Such students are given counselling by the mentors and the subject teachers and remedial lectures are conducted. Students are supported and guided both in cocurricular and extracurricular activities. The mentors of the class discusses with each and every student individually and supports them in all the possible ways to enrich their academic performance. The mentors contacts the parents and educates them, if required about their wards performance,

and the academic programmes of the college as well as the support system and the monitor system the student and parents.They can communicate with the mentor even after completion of their classes though call or SMS or Whats App group created by their mentor.

The evaluation methods are informed well in advance to students at the orientation programme conducted on the first day of instruction and by the faculty members in each class room. Students are given in advance Examination schedules, Assignments, Model Question Papers, Old question papers and Question Banks. 1. Annual examinations are conducted by the Osmania University, Prefinal and Halfyearly examination papers of earlier years are made available in Reference Room for easy reference. 2. The students are informed about their performance in class tests halfyearly and prefinal examinations in the class room and the same are displayed on the notice boards. 3. Evaluation blueprint

is given to the students if there is any discrepancy The evaluation methods in practice are discussed in detail with the faculty. Accordingly, the faculty evaluates the students' performance and communicates the same to the students. (i) The parents are briefed about the evaluation methods and their wards performance in parent teaching meeting (ii) The students' performance reports are also appraised to the management and the HR Managers of various companies who visit college for campus recruitment. (iii) To create a healthy learning environment and competitive spirit among the students at class level , we conducts seminars, debates on various topics.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

1 The department conducts internal assessment and provide 20 of the total credits assigned for a course on the basis of attendance, class tests, assignments and seminars. 2. The better of the two grades of the class tests, performance in the Seminar presentations and assignments and the percentage of attendance are considered for awarding internal grades. 3. Assignments are given well in advance and the timely submission is ensured by the departments. 4. Internal marks are displayed on the notice boards to ensure transparency and correctness before they are forwarded to the university. 5. Independent learning and communication skills of students are tested through viva voce examinations, regular attendance and timely submission of assignments. 6. Every second and fourth weekend of the month we conduct slip tests. 7. We also conduct online slip tests which contain multiple choice questions and evaluation is done there only. 8. All the matters relating to assignments, slip tests, marks and performance are discussed by HOD's in the meeting. 9. In a semester the students are given assignments and assessment tests periodically before they write the university examinations. Two internal tests for 20 percent marks are conducted. In every semester assignments are given and evaluated continuously. The continuous internal evaluation helps the students. 10. The college conducts slip test, examination during and prefinal examination during november. 11. The Heads of the Department monitor attendance and progress of the student every year. 12. We follow University Almanac to conduct University Mandatory examinations.

5.3.2 – Activity of Student Council & amp; representation of students on academic & amp; administrative bodies/committees of the institution (maximum 500 words)

Every class has Class Representatives i.e. one Boy and the Girl students . These students can play an active role in council. They act as a liaison between the Management/Principal/vice principals/ class teachers and other students of the college. They look into the effective functioning of the student body in organizing and conducting events throughout the year .They make sure every student opinion and interest are put forth and all the necessary requirements are initiated towards better development of the college. The Class Representatives are the student representatives for various bodies functioning in the college. The Documentation Heads make reports on every event that takes place in the entire college. They are the instruments in all the paper works and reports of the college. The student association plays a dominant role in many activities related to fine arts, sports and other cocurricular activities of the department and the students. Various cocurricular activities organized by the association include Special Lectures by experts, Seminars, Workshops, Symposium, National Level Conference and Intercollegiate meet to develop the personality and skills of the student's ability. Eminent speakers and

industrialist deliver speeches on topics relevant to current educational scenario. The Hospitality facilities team can look into the decorations and arrangements that must be done during a college event. They make sure all the necessary refreshments and requirements of the guests are met before an event starts. The Media in charges act as a link between the college and the various media organizations. They make sure every event that happens in the college

level is reported for the next day. The Official Photographers form an important part of the council. Every event must not only be documented in writing but also in pictures. The Official Photographers of the college handle the photography and videography of every event. They make sure all the events are covered and recorded for future purpose. One of the best practices of the college is to conduct Clubs every year. The functioning of these clubs is undertaken by the Club coordinators who work with Club incharges to make sure the smooth functioning of the Clubs. They maintain a record of the Clubs and provide important working details regarding the clubs. They organize dates and classes for the clubs along with the management. They also take care of the allotment of students into the club preferred by the students. The Event Coordinators look into the planning and detailing of every event. They prepare schedules and program sheets for all the events. They arrange the hall and look into the necessary requirements of an event like Banner, Sound systems, etc.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

College has strong alumni. It conducts regularly an Alumni Day on August 2nd and utilizes the services of Alumni for Welfare of Students. The Association of Badruka Alumunai (ABA) consists of a Chief patron and an exofficio. The advisory members are eight in number and the office bearers consist of President, Vice President, General secretary, Joint secretary and a treasurer. The Executive body consists of five members. The Core committee meeting is held every year where in valuable suggestions for improvement are given by the members and discussions on various achievements and accomplishments of the alumini is noted. The logo of ABA has been developed by the members in 2013 and it was decided to use the same in all the related documents. How do students and alumni contribute to the effective functioning of the IQAC? (i) The students of the college contribute to the effective functioning of IQAC in providing quality education by giving their feedback on teaching learning practices, library facilities, computer labs etc. (ii) Class toppers are nominated as Class Representatives to bring the various aspects of their class to IQAC for necessary action. (iii) Students are nominated to various committees such as Library Committee, Magazine Committee, Sports Games Committee, AntiRagging Committee, Students Club etc. for their active participation in decision making. (iv) Alumni helps IQAC for organizing guest lectures, providing internship and final placements, counseling the students for career planning etc.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

To promote decentralisation and participative management the following measures are adopted. Strategic level: At this level decisions are taken by the Management in coordination with the Principal. Departmental level: The Heads of various departments implement thestrategic level decisions with the help of teaching and nonteaching staff. Student level: The class representatives are elected to communicate all theactivities of the college to their classmates. The issues and problems related to the students that go beyond the class mentor are directed to Grievance Redressal Cell. At each hierarchical level, participation of faculty members is ensured by delegation of authority to them. The college delegates authority and operational autonomy to the Heads of Departments in implementing the curriculum plan, teaching schedule, examinations and other academic matters. The HODs are empowered to take decisions on academic calender ,teaching learning methodologies , examination schedules, field trips, etc.. A number of committees such as Academic, library, examination, sports, admission committee, etc.. are constituted to encourage participative management. The cocurricular and extracurricular activities are handled by the respective Committees under the guidance of IQAC. The college has established five clubs such as literary club, management club,arts club,quiz and film clubs. Besides these clubs, the college has NCC and NSS Deparrtment and students welfare department too. For example, the college conducts a literary and cultural festival every year called "Badruka Fest"The Principal holds the meeting and after discussion with the faculty members decides the date and venue of the event. A coordinator for the event is selected. The coordinator is responsible for all the requirements and smooth conduct of the event. Various committees are formed to distribute the work.
