
Badruka College of Commerce and Arts

Institutional Feedback Report

Vision

Badruka College of Commerce and Arts works towards the goal of continuous improvement, discovery and sharing of knowledge with young men and women by providing them broad based quality higher education.

The institution strives to transform them into enlightened, spiritually inspired, emotionally, balanced, self reliant, morally upright and socially committed citizens of the country.

Mission

- To foster an intellectual and cultural environment, in which the spirit and skill of the creative individuals will thrive.
- To cater to the educational and business needs of the national and international community.
- To contribute to the growth of India international business by imparting requisite knowledge to the prospective individuals of the international business industry.
- To assist the business organizations involved in Production/Exports/Imports/Foreign trade through specific studies and consultancy services.
- To turnout knowledge-endowed managers who would be competent to contribute to the growth in volume and profitability of the business.
- To help the smooth transformation of business from national to global levels.
- The vision and mission statement of the institution are made known to the stakeholders through published documents.

Institutional Feedback Framework

The purpose of the feedback was to understand the development of the institute. Feedback was carried out from students and faculty members.

Following is the list of questions, which is taken by the stakeholders

Question	Option
Board of studies is taking care to ensure the currency and relevance of the programme offering.	agree
Board of studies is taking care to ensure the currency and relevance of the programme offering.	disagree
Board of studies is taking care to ensure the currency and relevance of the programme offering.	no opinion
Employability is given weightage in curriculum design and development.	agree
Employability is given weightage in curriculum design and development.	disagree
Employability is given weightage in curriculum design and development.	no opinion
I am given enough freedom to contribute my ideas on curriculum design and development.	agree
