

BADRUKA GROUP OF COLLEGES

Sri Bankatlal Badruka founded Seth Ghasiram Gopikishan Badruka Educational Society in 1950, with the establishment of Badruka College of Commerce and Arts (BCCA). Over the last six decades, the Society has grown from strength to strength. Today, it has 8 institutions of higher learning and a hostel. Over 50,000 students have passed through the portals of the Society, occupying significant positions in India and abroad.

BANKATLAL BADRUKA COLLEGE FOR INFORMATION TECHNOLOGY (BBCIT)

BBCIT, one of the most prestigious IT learning institutions, was established in 1991 with the aim to impart quality education in the field of Information Technology. Backed by experienced and highly qualified faculty, BBCIT Provides best learning environment and nurtures and encourages students so as to become best professionals from our portals. BBCIT's computer lab has state-of-the-art technology with prevailing trends in computing. BBCI Alumni maintain a close association and have taken initiative to act as mentors with UG and PG students and share their experiences, expertise and achievements with the current students.

ABACUS 2026

The national level
IT Quiz
for Tech Savvies

organized by the students of

BBCIT

ABACUS - A FORUM FOR EXPLORING KNOWLEDGE

ABACUS - BBCIT's Annual Computer Quiz event, the first of its kind in the city, was started in 1993, with the aim to promote and inculcate learning exchange in applications of IT among the students.

The growing enthusiasm in the students has encouraged us to conduct it at national level since 2009. Every year over 500 teams participate in the Quiz. BBCIT has set a benchmark in the conduct of ABACUS. The quiz involves questions pertaining to computers and IT at the graduation level. The winners of ABACUS 2025 were Piyush & Bobby of St. Joseph College.

Students from any UG / PG / Engg Program are eligible. The teams, each comprising two members, representing the same College / Institution are first put through elimination rounds. After this round, eight teams are selected for the two semifinals. The four finalists are selected depending on their performance in their respective semi-finals.

Target Subjects

DBMS, HTML, C, C++, Mobile Applications, Java, Fundamentals of IT, Python, AI & ML

Prizes

Winning team gets Laxminivas Badruka Rolling Trophy, Rotary Club of HMC Rolling Trophy, Master Minds - 2026 and exciting prizes. Three finalists and four runners-up of semifinals will also get exciting prizes.

There will be formal and informal events in-between the main events.
